

Cry Baby - Janis Joplin

Cry baby
Cry baby
Cry baby

Honey, welcome back home
I know she told you
Hon', I know she told you that she loved you
Much more than I did
But I know that she left you
And you swear that you just don't know why

But you know, hon', I'll always
I'll always be around
If you ever want me
Come on and cry, cry baby

Cry baby, cry
Cry baby

Oh honey, welcome back home
Don't you know
Honey, ain't nobody ever gonna love you
The way I try to do
Who'll take all your pain
And your heartache too?

And if you need me you know that I'll always be around
If you ever want me
Come on and cry, cry baby

Cry baby
Cry baby

Oh, daddy, like you always sayin' to do
And when you walk around the world, babe
You said you'd try to look for the end of the road
You might find out later that the road'll end in Detroit
Hon', the road'll even end in Kathmandu
You can go all around the world
Tryin' to find something to do with your life, baby
When you only gotta do one thing well

You only gotta do one thing well to make it in this world, babe
You got a woman waitin' for you there
All you ever gotta do is be a good man one time to one woman
And that'll be the end of the road, babe
I know you got more tears to share, babe

So come on, come on
Come on, come on, come on
And cry, cry baby

Cry baby
Cry

And if you ever feel a little lonely, dear
I want you to come on, come on to mama now
And if you ever want a little love of a woman
Come on and baby, baby, baby, babe, babe, baby now
Cry baby, yeah
